Dear Mr. Hurd:

I received your letter of June 23rd, and very glad to know you have completed your school work. I am very happy to write you this letter, which you may show to any one in your attempt to find employment.

During the time you worked for me, I was entirely pleased with your work and conduct. Since that time you have had additional training, I am sure you must be even more efficient.

I will be very glad to assist you in obtaining employment, if there is anything I can do.

My best wishes for your Success.

Very truly yours,
